National Housing Corporation

INFORMATION SECURITY POLICY

Top Management commits to ensure that information and information processing facilities relating to housing development are protected from unauthorized access, loss and manipulation by preserving confidentiality, integrity, availability of information while maintaining cybersecurity and privacy protection.

The Corporation commits to ensure conformity to the requirements of ISO/IEC 27001:2022, contractual obligations, relevant legal, regulatory and own business requirements.

NHC shall continually improve ISMS for suitability and adequacy.

Compliance with this policy is mandatory.

QS. DAVID MATHU NJUGUNA, MBS
MANAGING DIRECTOR/CEO
